Re: State of Connecticut Petition

Dear Sir/Madam:

Pursuant to the Freedom of Information Act, 5 U.S.C. Section 552, we hereby request information and documentation submitted as part or in support of the Petition of State of Connecticut Department of Environmental Protection and Energy to the USEPA pursuant to Section 126 of the Clean Air Act for Abatement of Emissions from the Brunner Island Coal Fired Generating Units in Pennsylvania, submitted on or about June 1, 2016. The requested information includes but is not limited to the following electronic files:

Emissions:

- Raw inventory files used in processing Brunner Island power plant emissions
- SMOKE processing related files for the modeling domain, including:
 - o Run scripts
 - o Assign files
 - o Ancillary files (ge_dat, surrogates)
 - o MCIP files (if used)
 - o Log files from processing of each sector
- Pre-merged SMOKE emissions from all emissions sectors
- Non-SMOKE processed emissions files
- CAMx-ready emissions files
